Your kit to B-school.

# Why should you opt for CAT ?

**4** Your ability to get seed capital for starting a new business (entrepreneur) improves tremendously if you have done an MBA from one of the top B-schools.

**5** An MBA definitely provides better recognition, opportunities to network and credibility too.

**1** The students passing out of these premium institutes (IIMs) are picked by companies on hands with lucrative salary packages.

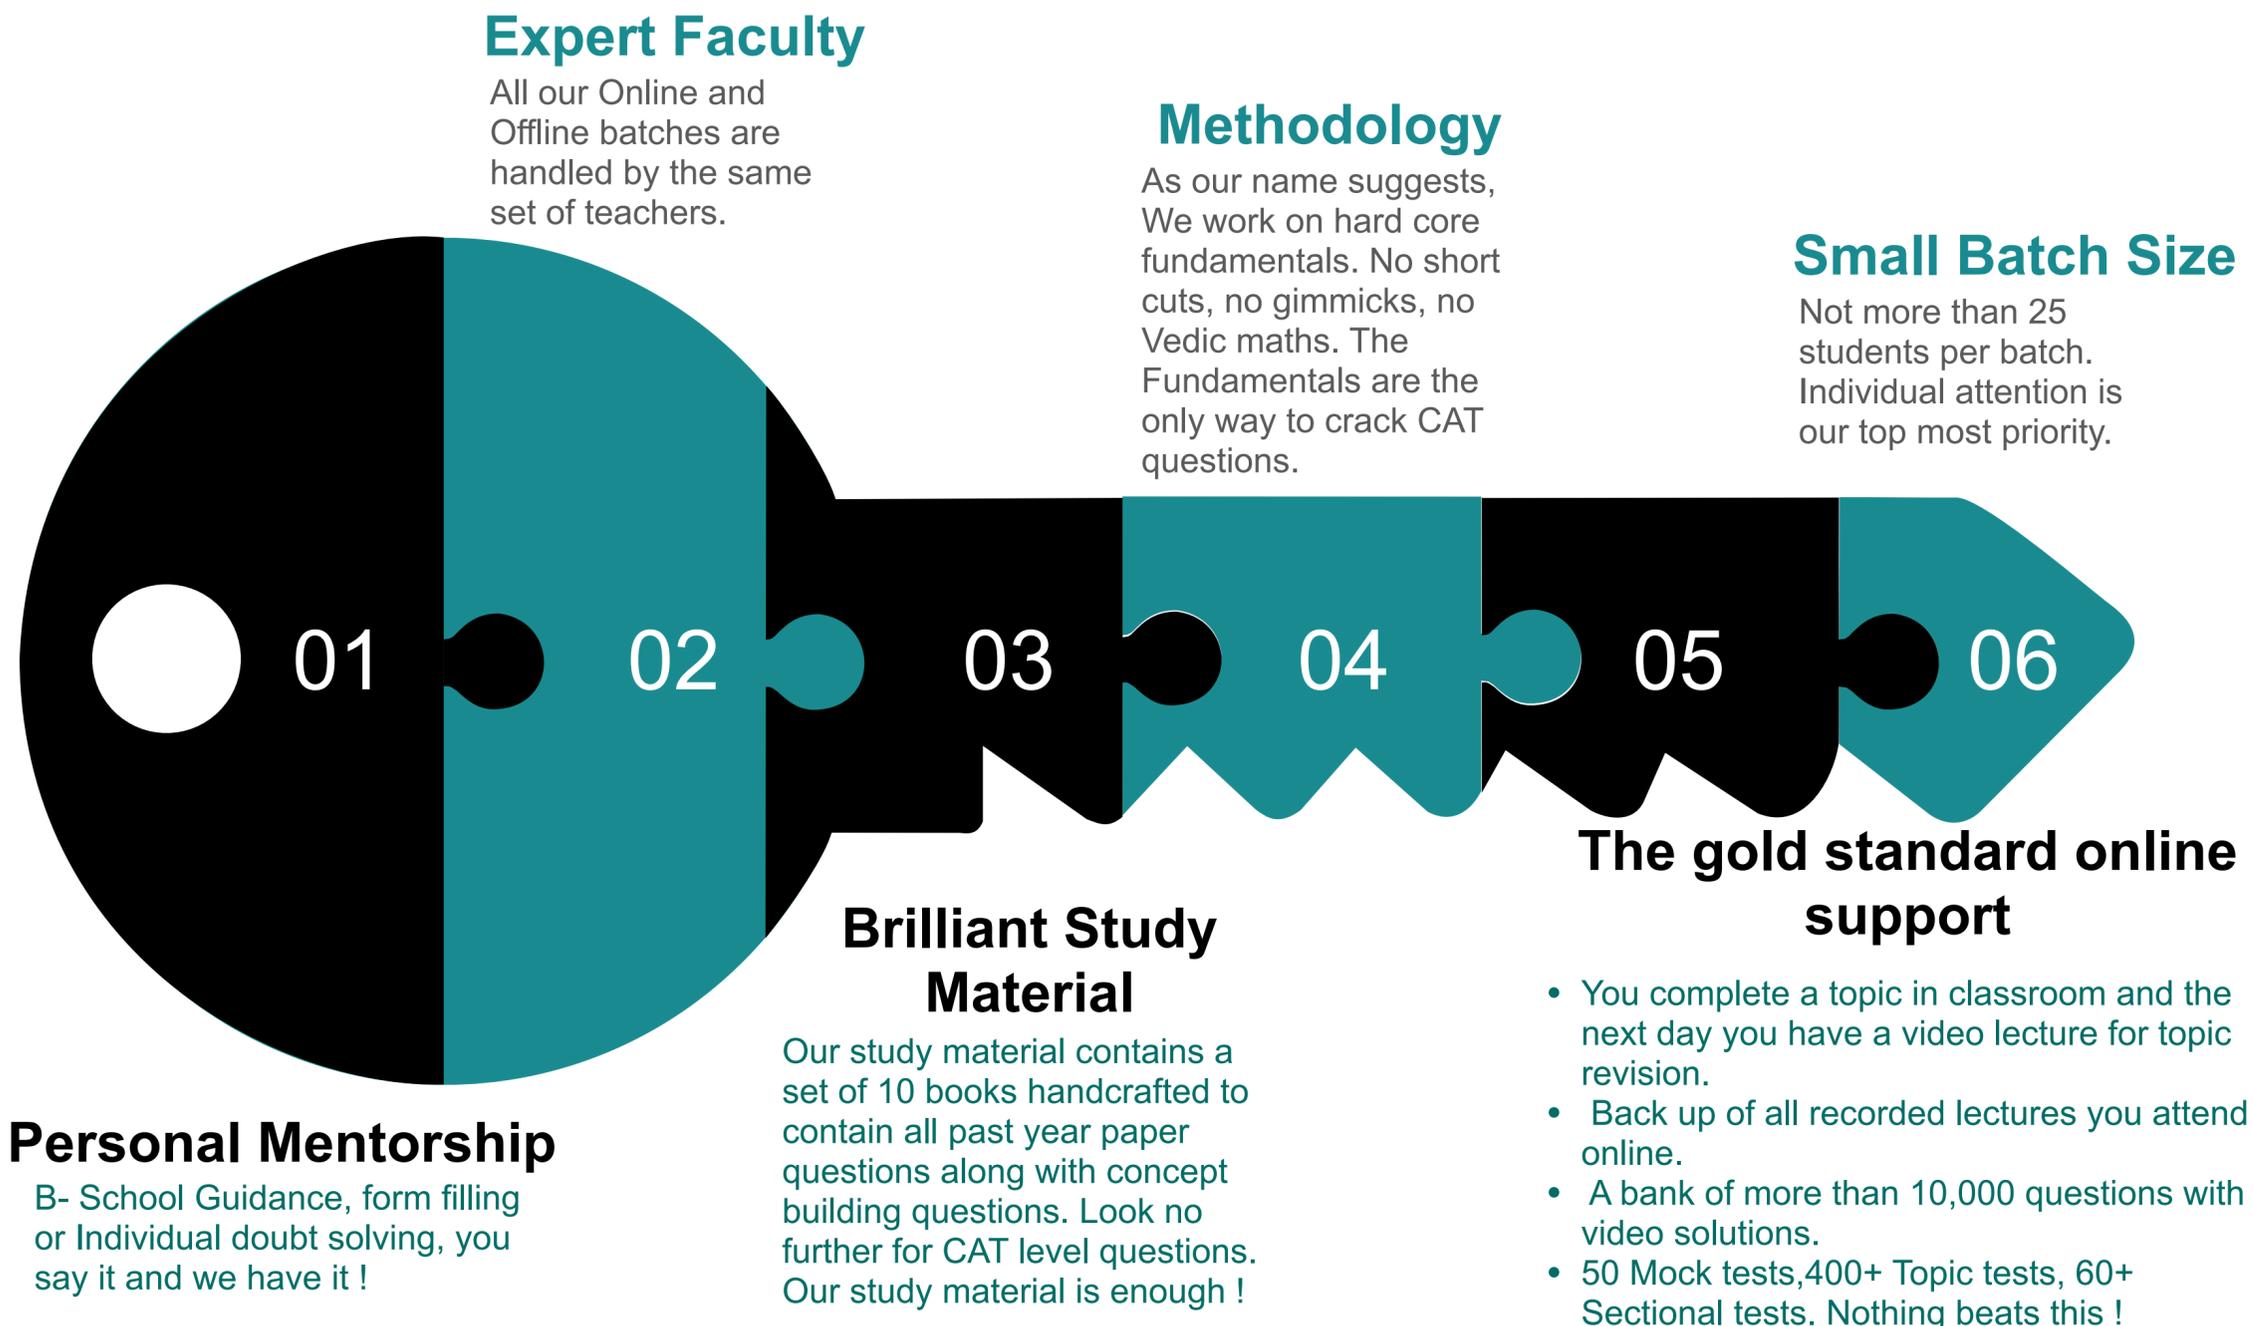

**2** The sheer diversity of jobs, the extent of responsibility and ownership that you get in MBA in your job make it worth. You get to choose from a range of specializations such as Marketing, Advertising, Finance, Strategy, Consulting etc.

**3** To grow beyond a certain level in your job, you need an additional degree. Choosing a career in MBA is one of the best options for higher education in India

# How we help you in cracking CAT ?
