

IIM Raipur MBA Admission 2022-2024

Recent Changes

Same as the admission criteria for the batch 2021-2023. No such changes for IIM Raipur PGP 2022-2024 Admission.

The admission process for the IIM Raipur PGP 2022-2024 Academic Session comprises of two stages:

- Shortlisting candidates for PI round on the basis of CAT 2021 Score.
- Final Selection of candidates based on overall merit scores.

STAGE-1: Shortlisting of candidates for PI round based on CAT 2021 Score

The below mentioned minimum CAT 2021 Percentile criteria must be met.

Category	Quantitative Aptitude (QA)	Data interpretation and Logical Reasoning (DILR)	Verbal and Reading Comprehension (VARC)	Overall
General	70	70	70	93
EWS	50	50	50	74
NC-OBC	50	50	50	74
SC	35	35	35	54
ST	27	27	27	40
DAP	27	27	27	40

STAGE-2: Final Selection Process

The final composite score is computed based on three parameters, viz. CAT score (35%), PA (35%) and Profile (30%). The detail of weightage in each parameter is provided in the Table below.

Weightage of parameters

Category	CAT Score	Personal Appearance	Profile				Total
			Academic Profile	Gender Diversity	Academic Diversity	Work experience	
Weightage	35	35	10	8	4	8	100

Academic profile weights are based on the percentage of marks that the candidate obtained during his/her 12th Standard and Graduation, which is given in the Table below.

Weights for 12th and Graduation

Range of Aggregate Percentage (%)	*12 th class	Graduation
<=50	0	0
50.01 to 60	1	1
60.01 to 70	2	2
70.01 to 80	3	3
80.01 to 90	4	4
>90.01	5	5

Note: Percentage to be calculated for all the subjects that appears in the mark sheet irrespective of method of calculation by respective board/institutes/universities

Gender diversity aims to ensure the balance between genders. To achieve this objective, IIM Raipur provides eight (8) marks to the female candidates. Similarly, IIM Raipur strives to promote the academic diversity by providing four (4) marks for non-engineering graduates. The qualifying degrees for obtaining academic diversity is given in Appendix-1. The distribution of weightage in relation to experience is given in the table below.

Weightage for Experience

Months*	6 or Less	7-12	13-18	19-24	25-36	37-42	43-48	49 or More
Score	0	2	4	6	8	6	4	0
